The PRESENTMENTS
OF

The GRAND JURORS for the Body of this District, at a Court of General Sessions of the Peace, Oyer and Terminer, Affine and General Goal Delivery, begun and holden at BEAUFORT, on Tuesday the 30th Day of November, 1773.

I. WE present as a very great Grievance, the want of a law to make void all deeds of gifts, marriage-settlements, mortgages, and other writings of this nature, that are not recorded within six months after their being executed; the omission of which we consider as productive of numberless frauds and deceptions, highly detrimental and prejudicial to the general credit.

II. We present as a Grievance, the great neglect of the police and militia laws within this district.

III. We present Major Butler for not keeping a white person on his plantation near Bear-Creek, on the information of Charles Dupont.

IV. We present as a Grievance, the ruinous condition of Fort Lyttelton on this island.

V. We present as a Grievance, the little notice generally taken of the presentments of the Grand Jury.

And lastly, We desire that the above presentments may be made public.

NOVEMBER SESSIONS, 1773.

IT IS ORDERED,

THAT the PRESENTMENTS of the GRAND JURY for this District, be published in the several Gazettes of this Province.

By the Court,

John Caldwell, D. C. C. & P.

The PRESENTMENTS
OF

The GRAND JURORS for the Body of this District, at a Court of General Sessions of the Peace, Oyer and Terminer, Affine and General Goal Delivery, begun and holden at Ninety-Six, on the 15th of November, 1773.

WE present as a Grievance, that the first presentment of the Grand Jury for this district last November sessions, and that most of the other evils complained of by them and the other Grand-Juries of this province, are not likely, for want of laws being passed, to meet with the necessary relief.

II. We present the great neglect of patrolling in this district, a duty so essentially necessary for the preservation of good order and the safety of the inhabitants.

III. We present as a Grievance, that the present law for punishing horse thieves, is by no means sufficient to answer the ends intended thereby; and we do most earnestly recommend to the legislature, that instead of the present the following punishment should be substituted, which would promote the commercial interest of this country, by the ease and safety of land-carriage, as well as persons on horse back, in their several vocations, and also produce a restitution to the injured party, who at present is often totally ruined thereby, viz. That upon conviction of each offender, he shall be obliged to work upon the public roads in the district where the offence shall be committed, under proper overseers, until he shall earn four times the value of the horse, mare, gelding, colt, or filly, so stolen, one of which the value of the horse, &c. so stolen, shall be paid to the person losing the same; the remainder, after payment of Overseers and other contingent expenses, to be paid into the hands of the Public Treasurer, for the use of the district where such offence shall be committed.

And lastly, We do recommend that these our presentments be published in all the Gazettes of this province.

Creek Road, but escaped. Any Person that will apprehend the
said Negroes, and deliver them to Mr. STANYARNE at his
Plantation, Stono, or to the Warden of the Work House in

rine Beale, Widow of the late Hon. Othniel Beale, and Mother
to the Lady of His Honour the Lieutenant Governor.
The same Day died, John Ainslie, Esq; who some Time
since married Lady Mary, one of the Daughters of the Earl of
of Cromartie.

His Honour the Lieutenant Governor, Public Notaries for this
Province.

gia, having been beat off the Coast three Times, put in here
last Thursday.

phia, and another Brig, from the West Indies, both for Geor-
gia, passed by this Bay last Week—All well.
The Sps. Mr. Turnbull, Mr. Penman, and Mr. McDon-
ough, of East Florida, arrived here last Thursday, in the Schooner
Harriot, Capt. Doran, and brought with them 18,600 Pounds
of as fine Indico as ever was seen—Mr. Beckman, of this Town,
is also returned with Capt. Doran.
The General Meeting of the Inhabitants appointed to be on

JANUARY 17.
The East-India Company's Tea destined for New-York was
not arrived there the 27th ult. and the People are said to be de-
termined against its being landed when it does arrive.
From Philadelphia, where it did arrive, the Ship was sent back
for England within 48 Hours, with all the other Goods on board.
And at Bolton, on the 16th ult. some *Mohawks* hoisted
out all the Chefts that were on board Capt. Hall's and Capt.
Bruce's Ships, and Capt. Coffin's Brig, cut them to Pieces, and
threw the whole Contents over the Sides into the Water: There
were 114 Chefts in each Vessel: Capt. Loring's Brig, with 38
Chefts more, was ashore on the back of Cape Cod. The Bo-
tionians, before they suffered the *Mohawks* to proceed to this
Act, finding that no Preparations were making for the Return
of those Vessels for England, as had been promised, waited un-
til the Expiration of 20 Days, when, to secure the Duties, the
Teas were to have been delivered to the Custody of the Man of
War by the Collector.
By these Accounts, which we received in Capt. Wright, who
arrived here Yesterday, from Philadelphia, it appears, that none
of the East-India Company's Consignments of Tea have yet
been landed any where upon this Continent, but here—where it
will be found an Article equally unfavourable, as if it had been
destroyed—without the Company's having their private Property
taken from them.

Amongst the Passengers arrived in Capt. Wright, are, Mr.
Charles Hurst and William Webb, Merchants, Mr. Charles
Gordon, Mr. Pollard, Mrs. Budd, the Wife of Doct. Budd,
and their three Children; and Mr. Cunnam.
The Prorogation of the General Assembly on the 11th In-
stant, to the 1st of March, it is said, will occasion an Adjourn-
ment, of the intended General Meeting of the Inhabitants on
the 20th Instant, to a farther Day.
Last Monday died very suddenly, at his Plantation in St.
Paul's Parish, in the full Strength and Bloom of Life, Mr.
Benjamin Williamson, a young Gentleman of so excellent a
Character and Disposition, that none, who knew him living,
can avoid regretting his Death.
The same Day died much lamented, Mrs. Elizabeth Scott,
Wife of Mr. William Scott, Merchant.
On Tuesday last the General Assembly of this Province,
which should have met on that Day, was prorogued by the fol-
lowing Proclamation until Tuesday the 1st of March next:

The Grog Day Mr. Robert William Powell, Merchant, was
married to the accomplished and agreeable Miss Anne Hapton,
Daughter of William Hapton, Esq.
The same Day died, Mrs. Martha Fergusson, Wife of Tho-
mas Fergusson, Esq; then when there was not a better Wife,
Mother, Friend, Mistress, or greater Benefactress to the Poor
and Helpless; so that her Loss is not only irreparable to her Fa-
mily, but also to every one who knew her, especially the Dis-
tressed.
On Wednesday also died, the Hon. John Murray, M. D. one
of His Majesty's Assistant Judges for this Province—who some
Years since married Lady Ann, another Daughter of the Earl of
Cromartie, and Widow of the Hon. Edmund Atkin, first Su-
perintendent of Indian Affairs for the Southern District.

Robert Lindsay, and Mr. Manson, of this Province; Mr. Den-
ham, and others—and in the latter, Doct. Johnson, and several
others.

All the Vessels arrived since our last, have had tedious Passa-
ges, and been long upon the Coast; and several have been
spoken with, which are not yet arrived.
His Excellency Patrick Tonyn, Esq; the new Governor of
East-Florida, we hear, was to embark for his Government, in
the Ship Friendship, Samuel Ball, Master, about the 25th of
November, so that we may daily expect an Account of his Ex-
cellency's Arrival at St. Augustine.

certainly be published in next Monday's.

The Printer hereof having received
a supply of PAPER by the Brig,
Charles-Town Packet, arrived here Yesterday
from Philadelphia, the regular Publication of
this Gazette, will be no longer interrupted, and
he will be much obliged to those Gentlemen
who have not resolved against contributing to
the Support of his Press, for the Continuance of
their Advertisements and other Favours.
